

EXPLORING EQUITY THROUGH A NEW GLOBAL CLASSROOM

A Community Dialogue
and Panel

September 18, 2023

5:00-7:30 PM

Health Sciences Innovation
Building (HSIB) Forum
1670 E Drachman St, Tucson, AZ

REGISTER

Join us for an interactive dialogue on equity while we answer the question: can we find opportunities to use an equity approach for improving our education systems and strengthen community

Through the personal stories of a panel of faculty and students who have traveled with the University of Arizona's Cultural and Inclusive Experiential Learning Opportunities (CIELO), and short videos, we will explore equity from around the world and in our state.
